

PARAPET CLEANING SERVICES

QUALITY POLICY STATEMENT

Parapet Cleaning Services is committed to providing integrated world class cleaning and support services through the use of environmentally friendly products in a sustainable and efficient manner.

Our goal is to be the leader in the cleaning and support services in East Africa and beyond through staff empowerment and quality service with a difference. Commitment to our Quality Management System and continual improvement of its effectiveness is fundamental to us achieving this vision.

In pursuit of this commitment, quality objectives have been established, and communicated. They are monitored and reviewed regularly to ensure that our processes meet our quality standards.
